

Our electric future is now

The future is here

everybody in.

## Bring us your talent.

Automotive technicians are in high demand. Find out how to streamline your path to a promising career.

GENERAL MOTORS  
**ASEP**  
AUTOMOTIVE SERVICE EDUCATIONAL PROGRAM

***Are you looking for a Rewarding Career in the General Motors Automotive Industry?***

***Begin your Secure and Exciting Career Now!***

## What is GM ASEP?

- A strategic apprenticeship program, in cooperation with your sponsoring (i.e. employing) GM Dealership and select Colleges across Canada.
- Taught by highly certified GM Instructors.
- Incorporates all Provincial automotive apprenticeship training standards/curriculum plus General Motors-specific content using GM vehicles, tools, systems, and processes.
- The hybrid structure of ASEP means alternating between classroom training and paid work experience at your sponsoring GM Dealership..

## With ASEP You Will...

- Earn a College education in as little as 2 years while you develop the highest level of GM technical knowledge through both in-class and hands-on training.
- Build a diverse skillset through ongoing educational opportunities, certification programs, and on-the-job mentorship with a licensed GM Technician.
- Take the road towards a prestigious career as you grow within the GM Dealer organization.
